Bid: RFP 22-05-26
Bus Maintenance:

In the interest of safety and reliability, all vehicles must be owned, operated and maintained by the bidder, with written maintenance documentation on file. Storage of all buses shall exclusively be the responsibility of the service provider. The contractor shall be fully responsible for all maintenance and service of buses. All bus maintenance shall be performed by qualified personnel possessing proper licenses and certificates. The contractor shall be responsible for providing fuel, lubricants, tools, and employee uniforms. All vehicles shall have operable heating and air condition. Evidence of pre-trip checklist and inspection shall be faxed to the Sunnyside School District Contract manager on the day of the trip. Tires shall always be inspected and replaced if pre-trip inspection indicated tread or condition is questionable as relates to safety and/or downtime for repair throughout trip.

Request for Service/Reservations:

When possible, as much advanced notice will be given for requests for service as Sunnyside School District programs permit, but not less than 48 hours advanced notice will be given. Contractor shall provide written confirmation to the school/agency and Purchasing Department for all scheduled services. In the event that time does not allow a written confirmation delivered by mail, confirmation may be faxed. A contact name will be provided when service is scheduled. Contractor will be provided a detailed itinerary to facilitate the quote. Contractor may offer additional pick-ups and drop-offs at multiple locations, District my be invoiced for additional stops not noted in the itinerary, but user must be apprised of additional charges prior to making stops. Sunnyside School District will have the right to request departure points from any District site location and may include weekdays and weekends. These shall be provided at no additional charge. Contractor rates shall be figured from point of pick-up to destination with no allowance from the contractor’s garage to the point of pick-up. Notice of cancellation for a trip after reservations have been made shall be given 24 hours before departure time at no cost to the District. For service where less than 24 hours is given, except for weather conditions, a cancellation fee may be charged.

Sunnyside School District has the right to revise or cancel trips due to emergency weather conditions that arise around the city or state within 2 hours notice prior to the first pick-up without financial penalty, and to revise departure and return times, trip intervals and number of trips during the time period covered by the contract without any additional cost to the District.
