Meet members of our Community

Pastor Estrada and Yolanda Estrada

They have been part of the Tucson Community for 7 years now and have been active in the Sunnyside Neighborhood Association for the past 2 years.

They have been very willing to help in whatever they can do to improve things.

Pastor has offered to help redesign a template for the newsletter which of course you know I would love.

Yolanda is a co founder of TucsonProperty Buyers.com and identifies herself as a faithful housing provider. She has a Realtors license and a great vision in mind to restore the beauty of homes for local families in Tucson. Her favorite hobbies include hugging, photography, designing greeting cards, singing, song writing, volunteering, playing volleyball and reading. They are both a great asset to our community.

If you see them around, say hi or give them a hug. ☺
